

All women cruising weekend

Gain Independence... develop skills... have fun!

Many women are drawn to boating, but find that they cannot learn from their husband (no matter how wonderful he is!). Or the demands of caring for their family or guests while on the water overshadow the enjoyment of their time aboard. Take this informal weekender for yourself! Develop your cruising skills as you explore the San Juan Islands with our top female instructors. Bring your friends or meet some new ones. Spend Saturday evening docked at the famous and historic Roche Harbor Resort. Enjoy the gardens and outdoor sculpture display, walk to the unique mausoleum, dine at the restaurant, swim in the bayside pool, peruse artisan stands by the hotel or unwind at the new Afterglow Spa.

All skill levels welcome!

Dates: May and June weekends.

9am Saturday – 5pm Sunday.
